

example, in a CDBG award where a prime recipient has as its program goal the revitalization of a downtown area, the funds transferred to a business in the downtown area to remodel its store would not be considered a subaward subject to this part 84.

Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term includes commercial organizations and international organizations operating domestically (such as agencies of the United Nations).

Supplies means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements."

Suspension means an action by HUD that temporarily withdraws HUD sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by HUD. Suspension of an award is a separate action from suspension under HUD regulations implementing E.O. 12549 and E.O. 12689, "Debarment and Suspension," at 24 CFR part 24.

Termination means the cancellation of HUD sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

Third party in-kind contributions means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the

recipient for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by HUD that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 84.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 84.4.

§ 84.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this rule when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this rule shall be permitted only in unusual circumstances. HUD may apply more restrictive requirements to a class of recipients when approved by OMB. HUD may apply less restrictive requirements when awarding small awards and when approved by OMB, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by HUD.

§ 84.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing

§ 84.10

work under awards if such subrecipients are institutions of higher education, hospitals, commercial organizations and international organizations operating domestically, or other non-profit organizations. State, local and Federally recognized Indian tribal government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments," (24 CFR part 85).

Subpart B—Pre-Award Requirements

§ 84.10 Purpose.

Sections 84.11 through 84.17 prescribe forms and instructions and other pre-award matters to be used in applying for HUD awards.

§ 84.11 Pre-award policies.

(a) *Use of Grants and Cooperative Agreements, and Contracts.* In each instance, HUD shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public Notice and Priority Setting.* HUD shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

24 CFR Subtitle A (4-1-04 Edition)

§ 84.12 Forms for applying for Federal assistance.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) HUD and its recipients and subrecipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension," at 24 CFR part 24. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

(b) HUD and its recipients and subrecipients shall comply with the certification requirements of the Drug-Free Workplace Act of 1988 (42 U.S.C. 701), as set forth at 24 CFR part 24, subpart F.

§ 84.14 Special award conditions.

If an applicant or recipient:

- (a) Has a history of poor performance;
- (b) Is not financially stable;
- (c) Has a management system that does not meet the standards prescribed in this part;
- (d) Has not conformed to the terms and conditions of a previous award; or
